To Whom It May Concern:

WSP USA Corp. respectfully requests the opportunity to review copies of files with respect to the following location:

6200 Paseo Padre Parkway
Fremont, CA 94555

In particular, we are interested in files issued and maintained by your offices that are related to the following:

- § groundwater wells or septic systems
- § air pollution incidents
- § solid and hazardous waste
- § complaints or incident reports
- § water sampling results
- § releases of hazardous materials or petroleum products
- § environmental violations and corrective actions
- § aboveground and underground storage tanks
- § site investigation or remediation activities

Whitney A. Jones WSP USA Corp. 08/11/2015 09/14/2015 ENF/SFD/

Please contact me if there are any files available for review so that we can determine whether a visit to your office is warranted or if copies will be requested. If the file is too extensive to photocopy (greater than 100 pages) please call me or Rick Freudenberger at (408) 453-6100 or e-mail us at whitney.jones@wspgroup.com and rick.freudenberger@wspgroup.com. We will reimburse the Department for copying. Certified copies are not requested. Electronic copies are preferred.

Thank you in advance for your assistance.

We would like to request any information your office has regarding any environmental documents, underground storage tanks (USTs) or hazardous materials for the property listed below. If any records are located, we would like to obtain copies or schedule a file review. If no records are available, please contact

Dear EPA DC Office and Regions 6, 8 and 9 FOIA Officers,

On August 5, 2015, workers employed by the Environmental Protection Agency (EPA) triggered a breach at the Gold King Mine outside Silverton in San Juan County.

Pursuant to the Federal Freedom of Information Act, 5 U.S.C. § 552 (the "Act"), Cable News Network, Inc. ("CNN") requests access to and copies of all records relating to communications from the EPA ground team (the EPA employees and/or contractors who triggered a breach at Gold King Mine outside Silverton in San Juan County) to regional EPA offices and EPA headquarters in the hours and 10 days following the spill on August 5, 2015, specifically including, but not limited to email, internal communications, text messages, etc.

CNN agrees to pay reasonable duplication fees for the processing of this request in an amount not to exceed \$300. Please notify me prior to your incurring any expenses in excess of that amount.

If CNN's request is denied in whole or part, we ask that you justify all deletions by reference to the specific exemptions of the Act. CNN will also expect you to release all segregable portions of otherwise exempt material. CNN reserves the right to appeal your decision to withhold any information.

If you have questions regarding this request, please contact me as soon as possible by email

NatDeskFOIA@CNN.com and phone 404-827-1511.

As I have made this request in the capacity as a journalist and this information is of timely value, I would
